Delivery Time

Our warehouse strives to have orders processed and ready to ship within 3-7 business days. Common carrier deliveries typically range from 1 to 10 business days for delivery, depending on your proximity to the shipping location. Ground shipping can typically take anywhere from 1 to 7 business days. If your delivery time is over a holiday, please add an additional day for delivery. Our warehouses observe the following holidays: Christmas, New Years, Memorial Day, 4th of July, Labor Day, Thanksgiving and the day after Thanksgiving. Shipping companies may observe additional holidays. All standard ground delivery times and common carrier shipments are estimates and are not guaranteed.

Return Policy

Returns for Commercial and Residential Customers

All regularly stocked items can be returned within 30 days of receipt, so long as they are unused and in the original packaging. A return credit will be issued to the original payment method upon receipt and inspection of the product(s). Shipping costs incurred will be deducted from the credit. A 20% restocking fee will be deducted from the amount due. Customers are responsible for the cost of return shipping.

Destinations

We primarily ship throughout the U.S. We are unable to ship to PO boxes, APO/FPO boxes or Viabox at this time. If you plan to ship to a carrier terminal or store location such as a FedEx or UPS Store, please be aware that carriers will not accept deliveries from one another. If a shipping carrier deems your address inaccessible for delivery, they will make final delivery at the closest shipping terminal or return the shipment to our warehouse. Contact Customer Service if you have any questions.
